WHY HILLTOP TECHNOLOGIES?

Hilltop Technologies brings to its customers the tools and understanding - all in one package. As a Sapphire Business Partner for AVAYA Communication and Champion Business Partner for ShoreTel, Hilltop Technologies delivers state-of-the-art voice and data products. Hilltop's service-oriented, highly-trained professionals take the guess work and headaches out of your telecommunication projects. We replace it with knowledge, understanding, and guidance allowing for smooth business operations.

QUESTIONS TO CONSIDER

- Is your current vendor providing the level of service you desire/require?
- How old is your current phone system?
- Do you have a mobile workforce that you are not addressing?
- Do you have telecommuting needs?
- Are you adding staff?
- Planning office move or addition?
